Dear Friend,

From all of us at the International Senior Lawyers Project, we wish you a happy new year filled with fresh optimism and a renewed sense of global connection.

Thank you for being part of the ISLP community and for standing with us during this year of unprecedented global challenges. Through perseverance, creative teamwork, and the **unfaltering support of our volunteers, partners, and donors**, this year ISLP worked in over 50 countries to provide pro bono legal support to governments, civil society, and social enterprises. We stand ready to meet the opportunities and challenges of 2021, grounded in our mission to advance **just, accountable, and inclusive economic development**. We appreciate your partnership -- and your vote of confidence -- in our work.
